

## **Bob Beauchamp**

Bob Beauchamp is the President and Chief Executive Officer of BMC Software, Inc. In his 18-plus years with the company, Bob has held senior sales and management roles across the company, including global leadership of the Strategic Planning, Marketing, Research and Development, Strategic Planning, and Mergers and Acquisitions organizations.

Known for his prescient vision of the technology industry, Bob has been at the forefront in identifying major industry trends, including the general consolidation of the IT industry. After being named as CEO of BMC, he began working with others across the company to develop a new core strategy for BMC, which ultimately became known as Business Service Management.

Mr. Beauchamp serves on the board of directors of National Oilwell Varco, a Fortune 500 company operating worldwide as a leader in the design, manufacture and sale of equipment and services used in the upstream oil and gas industry. He also is the incoming chairman of the Listed Company Advisory Committee of the New York Stock Exchange. He holds numerous civic positions including the world-renowned Texas Medical Center and the Memorial Hermann Hospital System.

Mr. Beauchamp holds an undergraduate degree in finance and a graduate degree in management.
