

Paul T. Hamilton
President, CEO, pH Technologies, LLC

Paul T. Hamilton is the President and CEO of pH Technologies, LLC and the former President of Shell Global Solutions US, Inc. He is a strong supporter of IACCGH and served on the latest Pioneer Award selection committee.

At Shell, Mr. Hamilton held critical leadership positions in operations, maintenance, engineering, project management and consulting. He has managed both research and development for Shell, working with businesses in Europe, Asia-Pacific, South America and Canada. He also holds jointly a critical patent applicable to the development of oil shale and oil sands.

Mr. Hamilton received a Bachelor's degree in Civil Engineering and a Master's degree in Environmental Engineering from the University of Colorado, Boulder where he currently sits on the Engineering Advisory Board.
