

IACCGH BOARD OF DIRECTOR 2010

Harish D. Katharani

Harish D. Katharani is the President and CEO of Southside Group of Companies with primary focus on Healthcare. He is a Registered Pharmacist and has a B.Sc. Degree from the Texas Southern University. He has been an entrepreneur for over four decades in this field. From a humble beginning of just a one man pharmacy, Harish has developed a multimillion dollar business having diversified into various other health and pharmaceutical disciplines globally. Prior to establishing Southside, Harish was the President of Impex, Houston, an export import company from 1979 to 1982. Harish also established Katharani Pharmaceuticals Pvt Ltd, a bulk drug manufacturing plant at Ankleshwar and was the President of the company from 1983 to 1987.

Harish has been actively involved in many different charities in the field of education, healthcare and more specifically for cancer and AIDs victims. Southside also has an office in Mumbai, India and provides back office support to many healthcare providers in the USA. His wife Himadri Katharani is the CEO of the Mumbai, India office whilst his daughter Disha Katharani is working for Ernst & Young in India and will be pursuing her MBA degree.
