### SALUTING A PROLIFIC PARTNERSHIP BUILDER

The Indo-American Chamber of Commerce of Greater Houston (IACCGH) knows how to maximize opportunity with its partners. During its 16 years in existence, the IACCGH has helped promote commercial and economic ties between the Greater Houston area and India.

In fact, the energetic and imaginative work of the IACCGH, combined with the natural gas boom in Texas, which complements India's rising energy needs, makes the chamber a vital international link for entrepreneurs, businesses and entire industries across the globe.

Shell values its partnership with the IACCGH, and we look forward to further shaping the future of energy with this and other local affiliates.

Shell is a proud sponsor for the 16th Annual IACCGH Gala.
