

Supports the Houston Growing Globally Conference

Houston Strategic Conference *Houston Growing Globally*

Friday, December 12, 2008
11:00 AM to 5:00 PM

Houston Marriott Westchase

The global success of Houston companies is driving the region's \$400 billion economy. Gain practical insights from Houston's top business leaders who are successfully executing global strategies across five key industries: energy, transportation, education, technology and healthcare.

If you do business in Houston, globalization impacts your success. Be sure to join us on December 12th.
