**The Impact of the 2013 Indian Budget**

**On American investment & Trade with/in India.**

**ON TUESDAY March 5, 2013**

Heightened activities on policy and tax front in India, in the recent past, has caught the interest of the global investor community. Hon'ble Finance Minister of India in his recent statement on the fiscal budget being positive, yet responsible, set the stock market bullish. But, would it be fair and stable provisions? Whether India will continue to be an attractive investment jurisdiction?

To know how the provisions impact your businesses and rate India viz-a-via other favorable jurisdictions, join us for an hour long webcast with Sanjay Grover and Heetesh Veera, Tax Partners, Ernst & Young.
