SUDHAKAR KALAGA PE

President *KIT Professionals, Inc.*

SUDHAKAR KALAGA PE, brings over 26 years of engineering experience to KIT Professionals, Inc. As a Registered Professional Engineer in the State of Texas, Mr. Kalaga has diversified experience in project management, design and alternative delivery of large infrastructure improvements projects. Mr. Kalaga is committed to honesty, integrity, providing quality work, maintaining strong client relationships, and customer success. His goal is to provide solutions that are innovative, responsive, and effective. He obtained a BS in Chemical Engineering from Osmania University and a MS in Chemical Engineering from Oklahoma State University. Mr. Kalaga is married to his business partner Vijaya Kalaga and they have two boys, budding engineers, Sharat Kalaga a Junior at Texas A&M and Rohit Kalaga a Freshman at UT Austin. Outside of work Mr. Kalaga is a sports fanatic, specially enjoys watching cricket, playing tennis & golf.

VARUNA SINGH PE

Alternative Delivery Program Director *TxDOT-Houston District*

VARUNA SINGH is a 2002 civil engineering graduate of the University of Texas at Arlington and has 15 years of transportation experience with TxDOT. Mr. Singh began his TxDOT career with Weatherford Area Office in the Fort Worth District, focusing on design. He transitioned to alternative project delivery in 2010 serving as a deputy project manager on the 13-mile \$2.1 billion North Tarrant Express Concession Project. In 2012, he became the project manager of the 30-mile \$1.4 billion I-35E Express Lanes Design-Build Project in Dallas.

Since 2015, he has served as the Houston District's Alternative Delivery Program Director, currently implementing over \$2 billion in construction and developing over \$3 billion for procurement. Varuna enjoys traveling, hiking and spending time family and friends.

SANJAY RAMABHADHAN PE

Principal *Versa Infrastructure*, Board Member *METRO*

SANJAY RAMABHADHAN PE, serves on the Board of Directors of the Metropolitan Transit Authority (Houston METRO) providing multimodal transportation services to a 1,300 square-mile region with an annual budget of over \$1 Billion. He is a Principal at VERSA Infrastructure providing program management, construction management and engineering services for transportation, aviation, water and flood protection infrastructure. Sanjay has served in senior executive/board roles at global and regional engineering firms providing public infrastructure planning/consulting services across Texas. He has facilitated multiple trade missions to India and Co-Chaired a conference in Panama on the impact of the Panama Canal Expansion on Texas. His civic engagement has included serving on as Chairman-

Leadership Houston, President-Elect-Texas Lyceum (a statewide public policy leadership organization), Steering Committee Member-Houston Plan, Senior Fellow-American Leadership Forum, City of Houston-Buildings & Standards Commission, President-HESS Club, Chairperson-Houston Mayor's International Trade & Development Council (South Asia), Connecting Communities Initiative at Rice University's Kinder Institute, Indiaspora, and President-Indo-American Chamber of Commerce and Indo-American Political Action Committee. Sanjay was honored as a 2012 Ten Outstanding Young Americans by the US Jaycees and previously as one of Five Outstanding Young Houstonians and Texans. As an ASIA 21 Young Leader, he represented the United States at the 2010 Global Asia 21 Leadership Summit. He is a graduate of Texas A&M University and BITS-Pilani.
