

IACCGH

NEWSLETTER

INAUGURAL EDITION 2023

Distinguished guests and chamber members came together in a display of unity and achievement at the IACCGH Gala 2023.

Lorenzo Simonelli, Chairman, President, and CEO of Baker Hughes, a visionary in the energy industry, shared insights and innovation at the IACCGH Shell Distinguished Lecture.

Our "NOWGEN" leaders engaged in thought-provoking discussions, forged connections, and envisioned the next wave of success for the Indo-American business community.

EDITORIAL NOTE

Welcome to the inaugural issue of our monthly newsletter as we embark on an extraordinary journey into 2024, a year that marks the 25th anniversary of the Indo-American Chamber of Commerce of Greater Houston (IACCGH).

This newsletter is more than just a chronicle of events; it is a celebration of our collective accomplishments and a testament to our remarkable journey, highlighting the enduring spirit of our chamber. Over the past twenty four years, we've grown, evolved, and thrived as a community of visionary professionals, entrepreneurs, and business leaders.

In these pages, you'll find insights and reflections from our founding members who sowed the seeds of this remarkable institution. We will revisit the events that have defined our chamber and continue to propel us forward. It's a journey through time, an exploration of our heritage, and an exciting glimpse into the future.

As we mark our SILVER JUBILEE, this newsletter is more than just a publication; it's a tribute to our past, a celebration of our present, and a promise of a vibrant future. We invite you to join us in commemorating this momentous occasion and look forward to the year ahead with anticipation and optimism. Thank you for being part of our incredible journey.

IACCGH 2023 Inaugural Reception

Mayor Sylvester Turner and other elected officials joined chamber members, community and business leaders at the Legacy Room at City Hall at the Inaugural Reception to introduce 2023-24 IACCGH President Rajiv Bhavsar and his board. Consul General Aseem Mahajan helped the Chamber recognize Immediate Past IACCGH President Tarush Anand. [View more](#)

“NOWGEN” at the Museum of Fine Arts

In association with the Museum of Fine Arts Houston, IACCGH held a private reception and gallery tour for young business owners and professionals. This premier experience commenced with remarks by the Consul General of India in Houston and included a special panel discussion for young entrepreneurs and professionals. [View more](#)

IACCGH Reception for Indo- American Judges

On February 7, the IACCGH hosted a reception honoring four accomplished Indo-American judges in Houston. The event celebrated their significant contributions to the Texas courtroom, marking a milestone for the Indian community in the US. Attended by members and community leaders, the evening facilitated networking. Jagdip Ahluwalia, IACCGH Executive Director, recognized the judges' impact, emphasizing their inspirational role. President Rajiv Bhavsar praised hosts Himdari and Harish Katharani for their community service. The judges, including Ravi Sandill, the state's first South Asian judge, shared insights, highlighting the importance of diverse representation in the judiciary. [READ MORE >>](#)

IACCGH Open Forum: Nasr Khan [View more](#)

On the IACCGH Business Hour, Nasr Khan, EVP Chief Lending Officer of Wallis Bank, highlighted the bank's proactive stance in the challenging financial climate. Wallis Bank actively refinances conventional loans into SBA loans, leveraging the Small Business Administration's fee waivers for loans under \$1 million. Khan thanked IACCGH for collaborative efforts, especially in organizing access to capital workshops, and underscored the networking and community awareness opportunities for members.

IACCGH Tax Seminar

The IACCGH Tax Seminar on February 18, 2023, at India House, Houston, provided valuable insights into the latest tax regulations. Led by experts Mahesh Desai CPA, Rimple Mashruwala CPA, and Kershaw Khumbatta CPA, the event covered U.S. tax obligations, foreign asset reporting, the Secure Act, and Entity selection. Swapan Dhairyawan CPA expertly moderated discussions, offering practical advice on navigating the complex tax landscape. Attendees appreciated the newfound understanding of tax best practices, equipping them to manage their taxes effectively.

IACCGH Open Forum: Rick Pal and Ajay Choudhary

READ MORE >>

Rick Pal, senior partner at Zuhne, is an Asian 21 fellow and TEDx speaker, one of IACCGH's early young entrepreneurs of the year nominated by the Chamber, and recognized as one of the first Houston Business Journal's 40-under-40. His company, Zuhne, is one of the fastest-growing brands in the kitchen and bathroom fixture space. Rick a former board member of IACCGH, shared his personal and business journey with his friend and business associate, Ajay Choudhary, partner and president of Awake Solar, on the "IACCGH Business Hour." Ajay has more than 30 years of experience, including managing solar projects, both residential and commercial, in the USA and India. Awake Solar and CenterPoint Energy were involved in one of the largest single-roof solar installments in Texas for IACCGH member Vinmar's facility in Baytown, supporting Vinmar's commitment to tangible investment in sustainability.

IACCGH Farewell To CG Aseem Mahajan

In a heartfelt farewell, the Chamber bid adieu to Consul General Aseem Mahajan. Recognizing his instrumental role in fostering strong Indo-US ties in the energy sector, the IACCGH expressed gratitude for his unwavering support. As Consul General, Mahajan significantly contributed to the success of collaborative events, leaving an indelible mark on the chamber's initiatives. The IACCGH community extended best wishes to CG Aseem Mahajan in his future endeavors, acknowledging the enduring impact of his diplomatic service.

IACCGH Open Forum: Malla Mekala [View more](#)

Malla Mekala, President of Infodat International Inc., was the featured member on the IACCGH Business Hour. Recognized for his contributions to technology and healthcare in Texas, Mekala shared insights into his remarkable journey. From his early fascination with technology to leading Infodat, he emphasized the pivotal role of empathy and collaboration in navigating challenges. Mekala's leadership at Infodat, influencing healthcare outcomes through data analysis, reflects his commitment to societal betterment. As an active member of IACCGH and President of the India Culture Center in Houston, Mekala advocates for networking and collaboration, citing the Chamber's vital role during the COVID-19 pandemic in connecting businesses and providing critical support.

IACCGH Reception for CG DC Manjunath

IACCGH hosted a reception to welcome Consul General D.C. Manjunath, the newly appointed Consul General of India to Houston. The event, held on August 2nd, served as a testament to the city's anticipation of enhanced Indo-American collaboration. The reception, attended by invited elected officials, chamber representatives, and leaders of Indian organizations, helped the Chamber connect the new Consul-General to the who's who of the Houston business community. The occasion featured a 'welcome line,' allowing attendees personal interactions with Consul General Manjunath. His message emphasized India's renewed dedication to strengthening ties with the United States, setting the stage for a promising partnership. The Consul General expressed eagerness to collaborate with IACCGH for mutual advancement, reinforcing the vibrant future of the Indo-American community in Houston.
